## Thermal Printer Labels

Prices below are for custom printed labels on white, non-glossy, pressure sensitive label paper with one ink color (your choice of red, blue or black). For custom colors or larger quantities, call for a price quote.

**FOR 2-3 INK COLORS (Minimum order of 3,000):** Add 30% for each additional color up to a total of 3 ink colors.

Add \$15.00 to printing plate charge for each additional color.

**SPECIALTY PAPER:** Add 30% to price list for fluorescent paper color, Gold or Silver Foil paper, Clear Mylar and Vinyl stock. Add 20% for Laminating.

**ONE-TIME PRINTING PLATE CHARGE (per label copy):** Your label is printed using a one-piece plate. Any change requires remaking the whole plate. See printing plate charges below. Note: Plates not used for 3 years may be discarded and new printing plate fee charged. Orders cancelled after the label has been designed for proofing will be charged printing plate fee.

**PRICE BREAKS:** Price breaks for 3,000, 5,000 or 10,000 labels are for the SAME label copy in one continuous run.

**LABEL DESIGN:** You may choose from multiple "directions" as illustrated in the catalog or you may design your own label (See "Creating Your Own Custom Label" on page 17). Rx labels are printed with your hospital name and/or doctor's name, address, phone number and web-site if requested.
